

The County Record.

VOL. XXXI.

KINGSTREE, SOUTH CAROLINA, THURSDAY, MAY 11, 1916.

NO. 10

\$30 Given May 27, 1916, for New Subscriptions.

\$10 for First Prize in Each District—\$5 for Second Prize in Each District—Subscriptions Must Be Strictly New—10,000 Extra Votes for the First Subscription for Each Candidate—Offer Closes May 15—Only Extra Votes Given during the Contest—Don't Let this Opportunity Pass.

The Contest Editor makes a special announcement today. We will give ten dollars in gold, in District No 1, to the lady turning in the highest number of new subscriptions by May 27, 1916. We will give five dollars in gold to the lady turning in the second highest number of subscriptions by May 27, 1916, and in District No 2 we will give ten dollars to the lady turning in the highest number of new subscriptions by May 27, and five dollars for second prize. All subscriptions that have been entered and will be entered up to seven o'clock, Saturday evening, May 27, 1916, will be counted.

Subscriptions must be strictly new. It will not do transfer the paper from one member of the family to another at the same address. We will not allow this. To be counted as a new subscription it must go to an entirely new address. The highest number entered, in each district, will win the ten dollars and the second highest number will win the five dollars.

With every subscription for a year 9,000 votes are given to go towards winning the big prizes at the close of the contest, June 24. You are working for two prizes at the same time. The highest number of votes wins the Maxwell automobile, June 24, and the highest number of subscriptions, from each district, wins \$10 the 27th of May.

A coupon good for ten thousand votes will be found in The County Record. Fill it out with the name and address of the person wishing to take The Record and mail it, with a dollar, to the Contest Department and we will send you a certificate in return for the number of votes you are entitled to.

To inform the many who have telephoned the contest department asking for information as to the best way to start, the contest manager advises everyone who intends to do anything in the campaign to set out at once getting their friends to promise that they will save the coupon that will be published weekly. At the same time ask them to give you their renewals. Votes will be given on old and new subscriptions.

It will be found of great service to candidates to come to the Contest Department and talk to the contest manager who is in charge. Many things about a contest are at first obscure to the person who has had no experience of the sort before. These little problems will at once be solved by information received from the contest manager.

Remember that now is the time to get to work pledging your friends to give you their aid. Every day you delay means just so many coupons and subscriptions lost to you and every vote will be needed if you want to win the Maxwell car. Many an election and many a competition have been won with only a few votes to spare. If you try you can be first in your district and perhaps

first over all, an honor that would be worth the effort even if the prizes were not offered.

"The Nation's Peril."

If you enjoy the sensation of seeing a ship actually sunk from shell fire of a powerful United States battleship—if the bombardment of a town by artillery amidst the charging, cheering advance of more than three thousand soldiers, sailors and marines,—will stir your heart—if witnessing mine explosions and the workings of a wireless station hold a thrill for you, then do not miss the showing of the big five-part war picture "The Nation's Peril" which has just been completed after six months of ceaseless effort by the Lubin Company. Manager Crawford, of the Uwana Theatre, keen at all times to present to his patrons the best there is in motion pictures, has at big expense secured this exceptional picture for showing Friday, May 12.

One vote for every cent paid on account or purchase.

Salters Sketches.

Salters, May 7:—The commencement exercises of the Salters school were held Thursday and Friday, May 4 and 5, at the town hall, when the following programme was successfully rendered:

Thursday night, "The Miller's Daughter, or, Bound in Honor," a drama in four acts, was presented by the graduating class and was much enjoyed by everyone. Each of the characters was so well rendered as to call forth frequent bursts of applause from the large audience.

Friday night, class exercises and "Topsy Turvy," drill by the grammar grade, class songs, etc.

At the conclusion of the exercises Rev W I Sinnott advanced to the front of the stage and in well chosen words introduced Solicitor P H Stoll of Kingtree, who in his impressive style delivered the address to the graduating class in forcible words of advice as to what we should make of our lives; that success in life is only to be attained by individual, persistent effort; that we should choose our vocation and use our every energy for its accomplishment.

The stage was beautifully decorated with blue and gold, the class colors for 1915-16, and pink carnations, the class flower. Delightful music for the occasion was rendered by the Silverman orchestra of Kingtree and Miss Emmie Ferrell.

The session just closed has been one of great advancement. Twelve graduates will go to the different colleges this year from the Salters school. Too much praise cannot be given the principal, Miss Leila B Ferguson, and her faithful, efficient assistant, Miss Mary B Heyward, for their zealous, conscientious and untiring efforts in instructing the pupils under their charge.

We are pleased to have with us for a few days Mrs Ferguson and her daughter, Miss Jane, mother and sister of our popular principal.

In the large audiences Thursday and Friday nights we were glad to note many of our friends from Kingtree, Lane, Greelyville and Andrews.

Miss Marguerite Layton of Florence spent several days last week as the guest of Miss Carrie Moseley here.

Mrs A R Moseley spent several days last week in Charleston at the bedside of her sister, who is critically ill.

Miss Madge Cooper of the Confederate Home college is at home here for a few days.

Mr W H Stubbs of Bennettsville is spending a day or two here with relatives and friends.

Mr LeRoy B Ferrell of Florence is here for a few days at the bedside of his father, who is quite sick.
